

3/2020. (III.26.) Rector's instruction on the curriculum of spring semester in 2019/2020 academic year

Referring to the emergency situation, entered into force on March 11, 2020 and to the distant learning format entered into force on March 23rd, 2020, it is hereby decided that

1. To obtain the pre-degree certificate, the obligatory 4-semester language training is no longer required for those last year students whose major is **not** one of the foreign languages and who already registered for the final exam.
2. To obtain the pre-degree certificate, the obligatory 2-semester physical education is no longer required for those last year students whose major is one of the foreign languages and who already registered for the final exam.
3. In addition to the study period, the student shall have an opportunity to get a seminar mark in the exam period as well.
4. Deadline of uploading theses: May 15th, 2020.
5. Section 27§ (3) of the Academic Regulations for Students is **suspended**: it used to say that the legal relationship is terminated if the student does not complete at least 15 credits in the 2019/2020 academic year. It used to be relevant only for those students who started their studies in the 2019/2020 academic year.
6. Due to the distant learning format, required class participation is not applicable hence Sections 35§ (2) – (5) and paragraphs 7 and 8 are also **suspended**.
7. Point 7 of the 1/2020. (III.11.) Rector's Instruction is cancelled. Professional practices and dual practices shall continue unchanged if the opportunity is provided by the practice institution. During the teaching practice, students shall follow the rules of the Centre of Teacher Training, while students of Infant and Early Childhood Education major and Kindergarten major shall follow the rules of the Institute of Psychology.
