

ESZTERHÁZY KÁROLY UNIVERSITY
FACULTY OF AGRICULTURAL SCIENCES AND RURAL DEVELOPMENT

THESIS TOPICS

2019/2020

Dr. László Fodor PhD. college professor

1. Investigation of environmental sound crop production technologies – **Mgm033**
2. Investigation and evaluation of Integrated Pest Management (IPM) technologies – **Mgm034**

Dr. Réka Láposi PhD. associate professor

1. Effects of combined nutrient supply on physiological parameters of crop species under field conditions – **Kgm026**

Dr. Ildikó Bélteki, assistant lecturer

1. Soilless culture in vegetable growing – **Ker033**
2. Evaluation of production of horticultural plants in a given farm – **Ker034**
3. Evaluation of technology of crop production in a given farm – **Mgm057**

Dr. Gábor Koncz PhD. college associate professor

1. The utilization of renewable energy sources – **Kgm027**
2. Sustainable rural development (case study) – **Vid024**

Dr. Judit Vincze PhD. senior lecturer

1. The utilization and role of horse in agro-tourism – **Mgm035**
2. Processing and sale of animal products with special attention to the local products – **Mgm036**
3. Analysis of livestock farms – **Mgm037**
4. Examination of consumption and buying habits of local products – **Mgm056**

Dr. László Tóth CSc. college professor

1. Population dynamics of big game species (Red Deer, Roe Deer, Wild Boar) based on long-term data set – **Vad012**

Dr. László Szegedi PhD. associate professor

1. Air quality, Air quality management – **Kgm028**
2. Water quality, water quality management, sewage treatment – **Kgm029**

Dr. András Béla Oláh PhD. senior lecturer

1. Urban farming possibilities in the given country – **Vid025**
2. Effects of climate change on the land use and rural development possibilities in the given country – **Vid026**
3. Possible usage of renewable energy sources and its economical and social effects in the given country – **Kgm030**
4. The role of afforestation and creating ecological corridors in land use, rural development and sustainable agriculture in the given country – **Kgm031**
