Evaluation method (end-term exam mark/ term mark / other): **term mark**

Suggested semester: **first or second semester**

Frequency of availability: **4 hours/week**

Language: **english**

Prerequisites (*if any*): -

Description

Aims, competences to develop: The primary objective of this course is to facilitate basic level communication in Hungarian as a foreign language with special emphasis on developing oral and written communication skills. This semester mainly focuses on the vocabulary and basic grammar required for that purpose. By the end of the course students will be expected to understand and use everyday expressions and basic phrases, interact in a simple way and communicate in situations requiring a straightforward and direct exchange of information on familiar and routine matters. Another objective is to enable students to understand the main points of simple texts.

Aspects of Hungarian culture are also included in the program, making the course more enjoyable. Students will become acquainted with Hungarian history, traditions, literature, music, fine arts, sport and cultural heritage through multimedia materials, quizzes, games, excursions and other programs. By the semester's end, Students should also be familiar with Hungarian cuisine and wine culture.

The aim of the course is not only to provide students with basic level Hungarian language knowledge but also to provide a general overview of Hungary and her culture.
