2nd International Environmental Education Conference **IEEC2018 30th May - 1st June**

Eszterházy Károly University, Eger

Conference website: <http://ieec2018.uni-eszterhazy.hu/index.php?d=1>

Dear Colleagues,

We would like to invite you to participate again in the IEEC , International Environmental Education Conference to be held from 30th May to 1st June 2018 at Eszterházy Károly University in Eger, Hungary..

Participants of IEEC 2018 can share their research experiences, practices, make partnerships and look for ways to expand the knowledge of environmental education **practices. The main purpose of the conference is synthetizing environmental knowledge elements for Sustainable Development Goals (SDG) and Biodiversity Conservation Targets.**

About Eger

Eger is a popular historical town in Hungary which is situated at the intersection of the spectacular Bükk Mountains and the Great Plains and surrounded by valuable and nice vineyards. It is the seat of Heves County. Due to its educational profile the Eszterházy Károly University is both professionally and culturally integrated into the life of the city and determines the traditional treatment of natural areas. While on the one hand it operates as an intellectual gbase, by hosting various conferences along with scientific and cultural events and educational programs for the professionals of the region, the University actively contributes to the improvement of the cultural life of the citizens of the city and the region.

Our partner Organisations and Institutions:

Bükk National Park Directory,

Hungarian Institute for Educational Research and Development

FAO European Forest Commission, Working Group on Management of Mountain Watershed

Satellite session:

FAO EFC WG1 special session on "Forest and water in mountain catchments: education, citizen science, and mountain partnership".

Session chair: Professor Josef Krecek, Technical University, Prague, professor Eero Kubin, University of Oulu, Finland

Our Future in Focus of Education to Motivate Present Activities

Convener: Prof. Klára Szita Tóthné (University of Miskolc, Miskolc) Co-convener: Professor János Mika (Eszterházy Károly University, Eger)

Important deadlines:

Abstract submission deadline: 23th March, 2018
