

Certificate

This is to certify that

Martina Medveczki

has successfully completed the online collaborative course
“**Online Educational Initiatives: International Cooperation 2020**” in the
framework of the Cooperation Germany-Israel-Hungary (CoGIH)
in the summer term 2020.

The international higher education cooperation was facilitated by the following
partner institutions:

University of Kassel, Kassel, Germany

Kibbutzim College of Education, Tel Aviv, Israel

Ono Academic College, Kiryat Ono, Israel

Eszterhazy Karoly University, Eger, Hungary

Participants from the higher education institutions worked in international permanent cooperative groups to develop online educational initiative websites. They successfully acquired knowledge of the theoretical foundations of teaching and learning in online environments, studied entrepreneurship and innovation in education, developed teaching and learning skills in a multicultural and international environment, participated in online group meetings in Unicko, and presented and evaluated their projects in an international student online conference.
